"More than ever firearms owners need to engage in the legislative process to protect second Amendment rights. Join me for a review of national and state trends in firearms laws. I am working to eliminate bureaucracy in obtaining a firearms permit while maintaining safety measures."

"I encourage both sportswomen and first-time shooters to join me on the gun range. An instructor will be available for anyone needing assistance."

Topics will focus on proposed changes in national and state firearms laws

- ▶ Pending federal legislation that affects second Amendment rights
- ▶ Judicial rulings on firearms legislation in other states
- ▶ Introduction of Rep. Meltzer's legislation to streamline firearms permit process
- ▶ Pending state legislation that affects firearms owners and dealers
- ▶ Promoting self-defense and firearms safety training
- ▶ Initiative "No-Child Left Indoors"

Free state publications will be available

Additional parking will be available at the Wintergarden Restaurant.
